(b) On-the-Job Training, dated 15 May 62,
attached

25X1A9a 1. This is a request to amend the reference, On-the-Job
Training of Mr. [REDACTED] to extend this training one
extra month from 18 August to 15 September 1962.

25X1A9a 2. The purpose of this extension is to make it possible for
[REDACTED] to attend two important meetings, the IRE WESCON
Meeting, 21-24 August, and the Electromagnetic Warfare Symposium,
25X1A9a 12-14 September, both being held in the training area. It is our
belief that [REDACTED] attendance at these meetings would be
beneficial to him and to this office. Important sessions that would
be attended are as follows:

IRE WESCON Session 3 - Instrumentation
 (Spectrum analysis and Hall effect)
 Session 6 - Pattern Recognition
 (Machines for Visual Recognition)
 Session 12 - Antennas and Propagation
 (Self focusing antennas and beam shifting)
 Session 16 - General Topics in
 Information Theory
 (Adaptive processing)

ECM Symposium Session I - Components and Devices
 (Review of solid state and electron-tube devices)
